Junior Software Developer

Career Objective

Highly motivated Computer Science graduate seeking a Junior Developer position. Eager to apply academic knowledge in Python, OOP, and web technologies to develop robust software solutions. Committed to writing clean, efficient code and collaborating effectively in team environments.

Technical Skills

- **Programming Languages:** Python, JavaScript, C++, Java
- **Web Technologies:** HTML, CSS, JavaScript
- **Frameworks & Libraries:** Node.js, React, Scikit-learn, TensorFlow
- **Databases:** MySQL, MongoDB
- **Tools:** Git, VS Code, Jira, Docker
- **Concepts:** OOP, Algorithms, Data Structures, Design Patterns

Education

Bachelor of Computer Science An-Najah National University | Aug 2020 - 2024

Relevant Courses: - Data Structures & Algorithms - Object-Oriented Programming - Web Development - Database Systems - Software Engineering

Projects

Sentiment Analysis System | Python, NLP - Developed Twitter sentiment analyzer using NLP techniques - Implemented machine learning models with Scikit-learn - Processed and cleaned large datasets using Pandas

9gaga Meme Sharing Platform | MERN Stack - Developed a full-stack web application for sharing memes using MERN stack (MongoDB, Express.js, React, Node.js) - Implemented user authentication, meme upload, and social interaction features - Designed a responsive and intuitive user interface

Image Classification Tool | Python, Computer Vision - Created SVM-based image classifier - Optimized feature extraction and model accuracy - Developed intuitive command-line interface

Professional Experience

Software Development Training | With an industry mentor | Jun 2023 - Aug 2023 - Collaborated on front-end development using HTML/CSS/JavaScript - Debugged and fixed critical issues in production code - Participated in code reviews and agile sprint planning - Contributed to REST API development with Python

Certifications & Courses

- Python for Everybody (Online Course)
- Web Development Bootcamp (Online Course)
- Algorithms Specialization (Online Course)
